

# Government Services Exchange

## We make government contracting easy.

---

**DUNS:** 074844843

---

**NAICS:** 541611

---

**SET-ASIDE:** Small Business

---

**Government Services Exchange** has a combined 35+ years' worth of experience in the fields of Government Contracting and Government Compliance. We are proud to employ a diverse group of Government Contract Consultants, Marketing strategists and Procurement specialists to further enhance the American and U.S. Governments fair and equitable acquisition. Our goal is to, for businesses, take all the guess work out of Government Contracting and allow the business to focus on what they do best, while we worry about doing business with the Government for you.

### Differentiators

- We don't just offer certification/ registration/ application assistance, we will also apply the services we have provided and assist you in best utilizing your cert/reg/app.
- Over 25 years combined industry experience.
