

## What is a VOSB/SDVOSB Certification?

---

Becoming certified as a VOSB/SDVOSB is **essential in leveling the playing field** for your business. A Veteran-Owned Small Business Certification will present **more government contracts, awards, grants, and loan opportunities** to entities owned and operated by United States Veterans. To show gratitude for keeping our country safe, approximately **25 billion dollars of federal spending** is obligated solely to VOSB/SDVOSB certified firms.

At GSE we have the **tools and know-how to help you accomplish your goals**. We're here to **expedite the VOSB/SDVOSB Certification** process and make it smoother every step of the way. Successfully selling to the U.S. government can be very appealing, but it is **daunting to take on alone**. Let us help you improve your business and give thanks to our nation's Veterans.
